

## Corrigendum

### Richtigstellung zum Artikel:

### The Study of Environmental Biopolymers by Mathematical Modeling and Single Molecule Detection Techniques

Serge Stoll\*, Konstantin Starchev, Kevin J. Wilkinson, Pierre Chodanowski, Eric Balnois, Xiaojing Leng, and Jacques Buffle, *Chimia* 2001, 190–195

In Table 2, on page 192, some entries were unfortunately omitted. Thus, the complete Table 2 is presented in its full, corrected form.

$C_i$ [M]	0	0.01	0.1	0.3	1
$\sigma_p / \sigma_m$					
2					
5					
6					
10					
15					
25					
50
